

ADMINISTRATIVE-INTERNAL USE ONLY

14 JUL 1972

MEMORANDUM FOR: Acting Deputy Director for Support

SUBJECT : Showing of Agency's Drug Abuse Exhibit
at Professional Meetings

REFERENCE : My memorandum dated 30 June 1972, Subject:
Report on the Agency Drug Abuse Exhibit
at the American Medical Association
Convention

1. It is recommended that the Office of Medical Services
show the Agency's Drug Abuse Exhibit at:

a. The Scientific Assembly of the American
Academy of Family Physicians, New York, 25-28
September 1972, and

b. The Clinical Convention of the American
Medical Association, Cincinnati, 26-29 November
1972.

Copies of invitations for these showings are attached.

2. As indicated in referent report, we have received
numerous invitations from professional groups for showings
following award of the Billings Gold Medal at the recent AMA
Convention in San Francisco. We obviously cannot accept all
these invitations and have therefore given careful considera-
tion toward the best selectivity. The above two meetings
have been selected as the most appropriate and the best invest-
ment of the manpower that these showings require. The recommenda-
tion has been discussed with the Director of Logistics who
concurs.

Dear Doctor [REDACTED]

Congratulations on winning the Billings Gold Medal at the recent AMA convention in San Francisco. I am sure that many physicians attending this meeting felt that they benefited greatly from your presentation.

Enclosed is the data to be engraved on your medal and printed on the certificates which will accompany the medal. Will you please check this copy for accuracy and return it to us at your earliest convenience. The medal will take approximately a month to be engraved, while the certificates will be received by us around the first of September. We will forward these on to you as soon as they are received.

We hope that you will continue your interest in future scientific exhibit presentations, and hope that you will consider exhibiting at the AMA Clinical Convention to be held in Cincinnati, November 26 through 29, 1972. If you are interested in applying for the Cincinnati convention, please drop me a note when you return the copy for your medal and certificates.

Sincerely,

Richard S. Myers

25X1A9a Dear Dr. [REDACTED]

Members of the Academy Committee on Scientific Program reviewed the scientific exhibits at the AMA Annual Convention in San Francisco, and were very impressed with your exhibit. The Committee extends a cordial invitation to you to take part in the Scientific Exhibits at our 1972 Scientific Assembly in the New York Coliseum September 25 through 28.

Scientific exhibit application forms are enclosed. Since the Committee has seen your exhibit, it will not be necessary for you to fill in pages 5 and 6. We do need the information on page 4, however, but not in duplicate.

The deadline for acceptance of scientific exhibits has already passed, so that you will let us know your decision as soon as possible. If you need additional information, please contact our Committee secretary, Edward E. Dilecke, at Academy headquarters.

Sincerely,

R. Roy Guyther, M.D., Chairman
Subcommittee on Scientific Exhibits
Committee on Scientific Program
